Rochester Historical Society

The Rochester Historical Society will hold its March meeting on Wednesday, March 18th, at 7:30 p.m. at the home of Mr. and Mrs. Harry Brown, 7 Burgess Avenue.

The speaker for the evening will be Mrs. Nancylee Gaucher, who will present her popular talk which she calls "The History of Fans".

The public is invited to join the members for this special evening which will include a very brief business meeting and refreshments.

The Society wishes to advise residents of Mattapoisett, Marion and Rochester that there are only a very few 1795 maps left. These maps are copies of the earliest known map of Old Rochester, which is in the State archives. Houses are not shown, but there are many mills, meeting houses, and old roads. They may be ordered from any member or from Mrs. Edward Carr or Mrs. James Gurney.

This map was copied by hand by Mr. Henry A. Hartley on parchment and measures 16" by 22". The original is very worn and illegible. Mr. Hartley's copy is the same style of lettering but made more legible.

The Society would like to invite new residents of Rochester to come to this or any other meeting, and suggest this as a good way to meet some of the nicest people in town.

Don't waste hot water. Showers require less hot water than tub baths, and you may even consider an inexpensive showerhead attachment that saves still more hot water. An aerator on your kitchen faucet will also help.

When running your washing machine, drier, or dishwasher, make sure you have a full load each time. Turn your dishwasher off when it reaches the drying cycle and let dishes dry naturally. (In winter, opening the dishwasher door after the rinse cycle will provide heated and well-humidified air while dishes dry.)

Do as much of your household cleaning as possible with cold water. Repair leaky faucets immediately. Make sure your hot-water heater thermostat is set no higher than 140° F; 120° F is even better and will save an extra 18% of energy.

For additional efficiency, have your hot-water heater well insulated. Check all other electric appliances for energy efficiency, especially when you purchase new ones.

for the State competition surprised a lot of people at Old Colony. However, the school does not have enough sponsors to cover the expenses for the trip, so the students will be holding a Car Wash and a Bake Sale to help defray the costs.

The District Two competition was followed by the V.I.C.A. banquet, which was prepared and served by the Culinary Arts students of Old Colony. Then the awards were announced and they were met with wild applause, rivaling any athletic contest.

Don Mosher, the coordinator of Old Colony's V.I.C.A program, received commendation for his hard work and dedication, as did John Oliveira, the Superintendent and Director of Old Colony.

On Wednesday, March 25th, the Mattapoisett Public Library will begin a Spring preschool story hour. If you plan to have your child attend, please call us at 758-2213 and let us know. The library hours are: Monday 2-8; Wednesday 10-8; Friday 2-8; and Saturday 1-5.

A bibliography of recent outstanding children's books in science and social studies is available at the library. Here are some of the selections for junior and senior high school students.

1. "Canada" by Linda W. Ferguson. A lively text suggests that the vast geographic spread of Canada has provided a wonderful diversity which has influenced its development as a nation..

2. "The Story of American Photography: an Illustrated History for Young People" by Martin Sandler. The author's stated purpose is to present to young people the detailed story of the growth of American photography.

3. "A Cry from the Earth" by John Bierhorst. A fascinating overview of Indian music and dance, including a description of the instruments, examples of the music and its place in their lives.

4. "The Ink-keepers Apprentice" by Allen Say. A post World War II Japanese boy provides a fascinating look at Tokyo in this novel.

Open Letter

TO THE EDITOR:

Many of us in Mattapoisett, Marion and Rochester are seriously disturbed by the financial crisis at O.R.R. A cut of $423,000 out of $3.2 million will severely handicap the basic study program, possibly dismantle the business, guidance, art, and music programs and eliminate all late busing. These decisions may be forced on our School Committee by certain unforeseen aspects of "proposition 2 1/2".

Often citizens feel that once the legislation on Beacon Hill is in full swing they have no influence. WRONG! If they hear from enough ordinary voters, our legislators will respond. They received the message of a 60% - 40% vote on 2 1/2 and they are not going to do much about "fine-tuning" the law until the voters request it.

Don't wait for "George to do it". Take pen or phone in hand and write or call

Spelling Winner

Anthony Luzza, a 6th grade student at Old Hammondtown School, was the winner in the 1981 National Spelling Bee preliminaries. He will represent his school in the Spelling Bee that will be held in New Bedford later this spring.

Of special interest is that when Anthony enrolled in our school system, in the third grade, he spoke only Spanish, and in winning this Spelling Bee he outspelled 120 students.

The parent-teacher organizations in Mattapoisett and Rochester and the Vase group in Marion funded the elementary performances. The Junior High activity fund, money raised by the students supervised by Dick Mello, paid for two performances in that building.

During their stay in the district the puppet crew was housed in local homes. Diane Cook, Linda Lane and Barbara Hunt of Marion and Luice Moncevitch of Mattapoisett provided "District" hospitality.

PERFORMANCE TO BENEFIT THE MARION MOTHERS' SCHOLARSHIP FUNDS

Two celebrated well-known concert artists, Lily Dumont-Mindus, distinguished pianist, and Roman Totenberg, violinist acclaimed by critics around the world and the U.S.A., will perform at S.M.U. The Father Damien Council was instituted on March 18, 1956. During the first few years of their existence the Council meetings were held at St. Anthony's Church Hall in Mattapoisett and at St. Joseph's Church Hall in Fairhaven. This arrangement was not practical because of the conflict of dates with parish organizations.

After carefully considering the problem of a future home of their own the Knights decided to buy rather than build. The Polka Dot, a former nightclub in Mattapoisett, was decided on as the future Council Home. A purchase agreement was signed on April 25, 1959 and the deed of ownership was recorded on July 28, 1959.

The Father Damien Council has made giant strides in the short space of twenty-five years. A tremendous transformation has taken place at the Council Home since 1959. Structural renovations and other improvements made the building more suitable for the needs of this organization. Today the Knights are justly proud of their Council Home on Route 6 in Mattapoisett.

In front of the Council Home is a beautiful Wayside Shrine dedicated to the Sacred Heart of Jesus as "Christ the King of the Highways". When it was constructed in 1960 it was the only such shrine in the Commonwealth of Massachusetts and the fifteenth such shrine in the United States of America. The building of the shrine was a challenge for the Knights and publically acknowledges their tribute of love to Almighty God for the many blessings accorded them.

In the past the Council Home was used for Sunday and Holiday Masses to accommodate the overflow of St. Anthony's Church due to summer vacationers. Also, when St. Anthony's was closed because of structural difficulties the Council Home was used for

Youth Hockey

Games for the week of March 14: In the Mites Division, RAC Services were eliminated from their division play-offs as they bowed sadly to Bourne I in a hard played, however outclassed game, with a score of 6-1. Jeff Lawrence scored the lone goal unassisted. Scott Hartley was in net. Their sadness, however, was changed to elation in an 8-6 victory against a struggling team that had difficulty in keeping their feet under them during a Mother-Father, Daughter-Son game.

In the Squirt II Division, A. W. Martin Bruins were defeated by the Watuppa Squirts 6-1. Kenny Martin scored the lone goal unassisted. Bryan Becotte was in goal. In the Squirt III Division Campinos' Pandas were defeated by Bourne 4-1. Chad Vincent scored that lone goal unassisted. Maureen Kelly was in net for the Pandas.

Vel's Kodiaks of the PeeWee II Division defeated Kingston with a score of 5-2. Matt Smith scored the first goal unassisted. Jay Vincent scored the second goal assisted by Chris White, while Tim Drew picked up the third and fourth goals both with the assist of Chris White also. The final goal of the game was an unassisted goal by Shannon Hawks, which made it a total of three goals scored from the defensive position. Jeff Humphrey was in net. In the PeeWee III Division American Flexible Polars defeated Bourne 4-1. Dean Frates scored the first goal assisted by Chris Danse. Chris Danse then scored assisted by Dean Frates, Rich Thompson picked up the third goal assisted by Eric Raymond and Chris Danse scored the remaining goal

lists...especially chosen to represent their homeland as cultural ambassadors abroad. As such, their talents have put them in the class of champions, having won Gold Medals in such major events as the Vienna World Festival, the Moscow World Festival and the International Fair at Damascus. They have thrilled audiences in thirty countries of five continents.

Director of the Yugoslavian Folk Ballet is Branko Markovitch, a dancer, choreographer, scholar, and inspiration and guiding light to the company. Formerly he was the "premier danseur" of the Belgrade Ballet. Because of his abiding interest in the folk dances and graphic arts of Yugoslavia, he became particularly fitted to develop and enrich this folk-oriented group.

The original company was founded in 1945. A few years later they had achieved a national reputation for excellence. In 1972, they participated in a gala UNICEF concert at the Paris Opera, an event broadcast by television stations the world over.

Tickets for this appealing performance may be obtained at the door.

Fund-raising Benefit

A benefit hockey game between the New Bedford Old Timer All Stars and the Southeastern Massachusetts Hockey Officials Association will be played on Sunday, March 22nd, 6:00 - 8:00 p.m. at the Hetland Rink in New Bedford. Coordinator of the event is Mike Forand and tickets are available at California Sports and Skate Shop, Sports Shack and 33 1/2 Record Shop in New Bedford and will also be available at the door.

Prior to the game between the All Stars and the Hockey Officials, there will be a girls' hockey game.

Anyone wishing further information on the game or services and programs for disabled children and adults, is urged to contact the Easter Seal Society's regional office in Fall River at 676-1089.

Crossword Tournament

The Southeastern Massachusetts annual Crossword Puzzle Tournament, the only such competition in New England, is scheduled for March 21 at the Southworth Library in South Dartmouth.

being offered. Winners are determined on a cumulative scoring system based on accuracy and elapsed time in their solutions to the three different games. Last year more than a dozen competitors took awards.

Dr. Maleska will devise a 'warm-up' exercise with words designed for completion in a half-hour or less from starting time, shortly after 9 a.m. The other two puzzles will be fashioned on intermediate levels of difficulty with ample time afforded for their completion by noon. A mid-morning coffee break 'on the house', the Friends of the Dartmouth Libraries, will be taken before the start of the third round. Dictionaries are tabu; but a measure of privacy in the seating arrangements, plus eraser-tipped pencils and doodle-paper will be provided.

Following the morning session in the library's ground-floor community room at 732 Dartmouth Street, there will be a buffet luncheon served by the Friends, at which the three word-game creators will be guests and will present the awards. Dr. Maleska will informally address the audience, to which the interested public is cordially invited at no charge; he will also autograph copies of his latest published book, "A Pleasure of Words", a best seller which was recently named an alternate choice by the Book of the Month Club.

The tournament is open to the public for a nominal tax-deductible donation which provides automatic enrollment in the non-profit group and entitles the donor to attend other Friends' cultural events during 1981. The buffet luncheon will be available for those wishing to make an advance reservation. Competitors wishing to eat elsewhere but to return for the post-luncheon program are at

SMU

NOTED POET, BROADCASTER, AUTHOR TO SPEAK AT LIBRARY ASSOC. TEA

David McCord, one of Harvard's most outstanding Professors of English, now retired, a prize-winning poet, broadcaster, author and editor of over 40 books (some illustrated with his own watercolors and sketches), will be the guest speaker at the SMU Library Associates' Membership Tea Sunday, March 22, at 2:30 p.m. in the SMU Library.

Members are encouraged to bring guests. Anyone interested in joining the Associates is most welcome to attend.

David McCord's books of essays (About Boston, Oddly Enough, Homage to New England, etc.) sparkle with wit and color and provide the student with excellent examples of intriguing "topic sentences" well developed to succinct conclusions. His books of verse (11 of them "especially" for children) have won wide acclaim. One at a Time won a first prize from the National Council of Teachers of English and was also nominated for the National Book Award. His most recent book, Speak Up, has received excellent reviews since coming out last Fall.

Anthologies he has edited include: Once and For All, What Cheer, and The Pocket Book of Humorous Verse.

DARTMOUTH NATURAL RESOURCES TRUST

On Thursday, March 26, at 8:00 p.m. the Dartmouth Natural Resources Trust will present a slide-lecture program at the Dartmouth Middle School Auditorium: "Through the Seasons with Thoreau" by Albert W. Bussewitz of Jamaica Plain, Mass., well-known photographer, teacher, and naturalist.

The Bussewitz name will be familiar to many in connection with the Massachusetts Audubon Society, since for 27 years he served as director of three different Massachusetts Audubon nature centers.

The nucleus of Mr. Bussewitz's program is Henry David Thoreau's Journals, which he has delineated in slides specifically photographed for and matched to Thoreau's daily entries, the result being a trip with Thoreau as the viewer's guide from February 19th of 1854 through the ensuing four seasons and encompassing his usual haunts of Walden, Concord and Cape Cod.

This is a program that will delight photography buffs and nature lovers, students and bankers, gardeners and armchair travelers.

There is a charge for the program. Refreshments will be served.
